Dear Mrs Manley::

This is to let you know that we can use Newark baseball club from the 20th to the 30th and that we have a much better spot than Portsmouth on the 26th. Now if this is agreeable please let me know immediately and I will let Mr. Allen Johnson know so that he can hold the ball parks and make complete arrangements.

It is alright for you to order the play cards for Paterson as you stated in your letter and we will go fifty-fifty on the expense of them. We have not sent a schedule to Paterson and will you kindly do that also.

I feel very confident that you will make some money playing those southern games as we have played that territory before and found it profitable.

Awaiting an early reply confirming the fact that we can definitely depend upon Newark from the 20th to the 30th.

Very sincerely yours,

James Semler
